

For Skilled Residents

Guidelines for Re-Opening our campus

- We will begin Outside Visits on Monday, August 31.
- Masks MUST be worn by Residents and Visitors at ALL times for ALL Outside Visits.
- Residents MUST have masks on at ALL times for ALL Window Visits.
- Social Distancing (6ft apart) MUST occur at all times for Outside Visits.
- There is No Touching/Contact during a Window and Outside Visits.
- There are only two (2) Visitors allowed at an Outside Visit.
- There is no passing of any food or drink during a Window and Outside Visits.
- Visitors will be required to sign in, complete our screening form, have their temperature taken and hand sanitize before a visit can occur. Visitors will need to hand sanitize at the end of the visit.
- Residents will need to hand sanitize before and after the visit.
- **Should a visitor remove their mask during the visit, the visit will end and the Resident will need to move to our quarantine hall for 14 days.**
- Outside Visits are for 30 minutes.
- Nursing Administration will make the determination about canceling a visit time due to inclement weather.
- Nursing Administration and Social Service will determine the appropriateness of a Resident for an outside visit. Our Medical Director will be involved as necessary.
- We will continue with Window Visits/Face Time as well.
- Window and Facetime visits are for 15 minutes.
- SCHEDULE to start 8/31/2020

Outside Visits

Mon – Sun: Visit from 10:30a-11:00am
3:30p-4:00pm

Window/Face Time Visits

M/W/F: 9:30am/1:30pm
T/Th: 9:30am/1:30pm/6:30pm/7:00pm
Sa/Su: 6:30pm

- Please come approximately 5-10 minutes early to sign in and have temperature/screening and hand sanitizing completed.
- Current visits already scheduled will be honored.
- Visits for the following month, can be scheduled beginning the third Monday of the previous month. For example: Visits for October can begin to be scheduled on Monday, September 21.
- We are allowing 1/visit week so we can determine how the process works. This could change as we move forward.
- There are NO inside visits at this time.
- We will start small group activities (6-8 Residents) on each Unit – 1 Resident/table and 6ft apart in the Dining Room starting 9/3/2020
- Dining Room service will be 1 Resident/table and 6 ft apart for meals starting with breakfast on 9/14/2020. Other meals will be added at a later date.
- The Beauty Shop will be 1 Resident at a time starting on 8/31/2020
- Consulting physician services will be able to visit in a Resident's room starting 8/31/2020. Proper PPE will be required.
- Church services will continue on the television with NO Communion at this time.
- There is no shuttle services at this time.
